

The First Reunion was held in Des Moines, Iowa on the 19,20,21 and 22 of May, 1994. It was planned and engineered by one man, Chester Youngren. Twenty-eight sailors attended, 15 with their wives. Pretty good turn out for one ad which was placed in the American-Legion Magazine.

The next reunion is planned for the Chicago area on June 8th (arrival), 9th & 10th (Great Lakes Tour and other activities), and 11th (check out), 1995. It will be handled by a reunion service and a mailing service which will put our reunion announcement in approximately 2100 Navy and Veterans publications throughout the world, hopefully this will expand our ranks and attendance to over one hundred.

You can help by sending in names and address of shipmates you know about, also you can follow up for us to make sure the ad is being run in your state VFW and American Legion Magazine.

We will keep you updated as plans are firmed up. Please feel free to contact either of us if you have any information or any questions for us.

Regards,
